Sweet and spicy

Another long alcohol-fueled night.

I was fucking hammered when I climbed into Janne's bunk. Not sure how I even managed that.

Janne had passed out from overindulging in his favorite poison. He didn't budge when I snuggled next to him.

I never cared much for the taste of rum but I loved how it smelled on Janne. Rather how it made him smell. Sweet and a bit spicy, it mixed perfectly with his own scent. Just so fucking appetizing.

I buried my face against his neck. Then I don't remember. I must have fallen asleep lulled by the intoxicating smell.
